## DEDICATION ...

To Mr. J. R. McEntyre,

The Music Man

Because he is so much a part of Permian High . . . . because his band and orchestra groups do so much to make our school outstanding, not only in Odessa but state-wide . . . because he commands respect and affection from all with whom he works . . . the staff of THE PANTHER dedicate the 1965 book to Mr. "Mac"!

**Jean Wier** Teachers are mothers, too.

**Edna White**She's peppier than this at sports events.

Helen Hatfield
Have you paid your library fines?

## Teacher Hall of Fame

**Rush Mortimer** He loves those football colorcasts.

**Doris Fowler** Little Brother likes Chet Atkins, tool

Lamar Bridges
He reigns supreme among the test tubes and beakers.

A Modern Building

#### Permian Panthers . . . .

#### A Fine Student Body

### Permian Is

When the Panther roars, others listen.

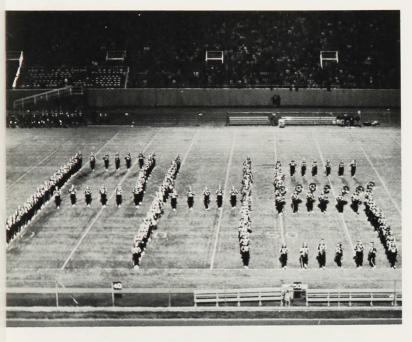

All-State band and orchestra members, representatives of Permian's fine musical department.

Though still fairly young, Permian has known greatness in athletics.

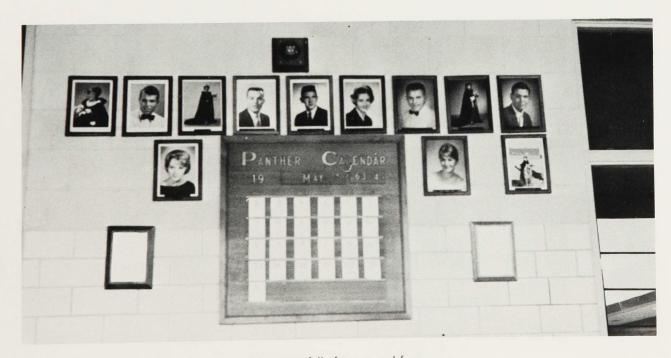

#### A Tradition

The crowds know what this stands for.

Self-government is learned by members of the Student Council.

The past is full of names and faces.

#### And

I paid, now gimme!

Editor Carol West ponders the quality of the **PERMIAN PRESS.** 

Someone gets a bruised shin out of this.

Every little bit helps the student council treasury.

## Way

#### Life

A great shot for two points.

Plays like "Arsenic and Old Lace" are always a big "blast."

There is always a motley crew hanging around the snack bar at playnights.

That radio will never play again.

Your essay isn't all that bad, is it Freddy?

Girl's health class is obviously a barrel of fun.

Fun is fun.... so is football, basketball, play-night.... but there comes a time when you just HAVE to study!

## Classroom Clicks

. . . . And so we study!

## Spirit and

# The Excitement of Football

Football season has many facets. The players are mixed with exhilaration. The fans, safe in the stands, know only the excitement and color of the pageant of football. Every fall brings with it the thrills of this sport.

#### "Arsenic and Old Lace"

Has Jerry Hodges learned the terrible secret?

Mrs. Johnson directs the stagehands with a probing eye for detail.

This "cops and robbers" has a real twist.

### Western Day

Swing your partner and do-si-do; on Western Night you can hug your beau.

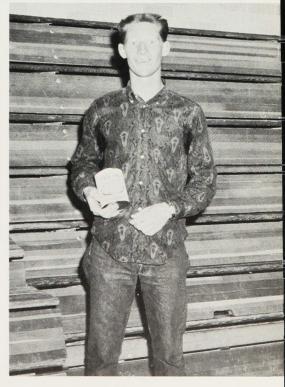

Those Injuns better not light up the peace pipe with

Mr. Brewer around.

Color Lou Henson fuzzy faced.

Steve Watson needs protection from his own homerolled cigarettes.

Stanley Woodward likes this business of hog calling.

# Latin Banquet

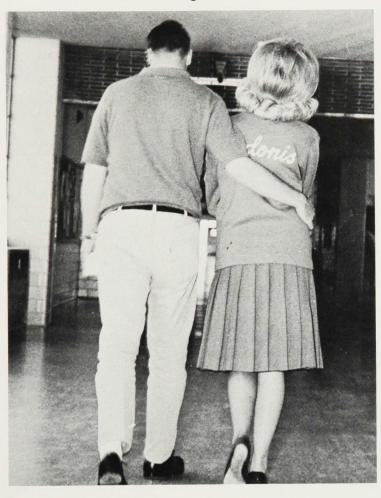

These, the ever-faithful Romans.

Latin students each year don the flowing robes of the ancient Romans for a night of feasting. There is entertainment and food for nobles and slaves alike. This banquet is an annual occasion for the Junior Classical League of Permian High School, sponsored by Miss Edna White.

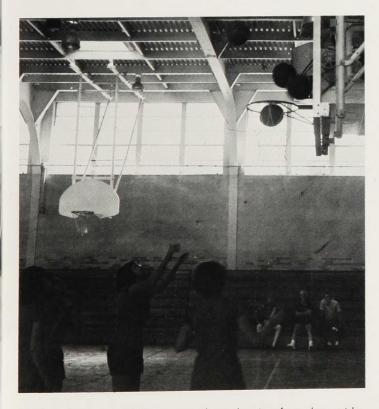

But are THESE the noblest Romans of them all?

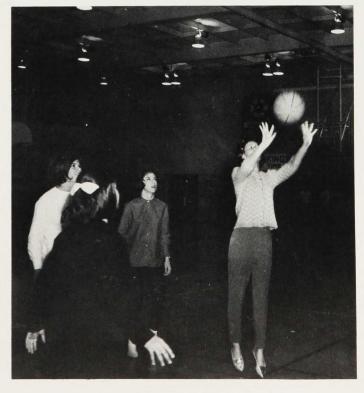

# Parting Shots

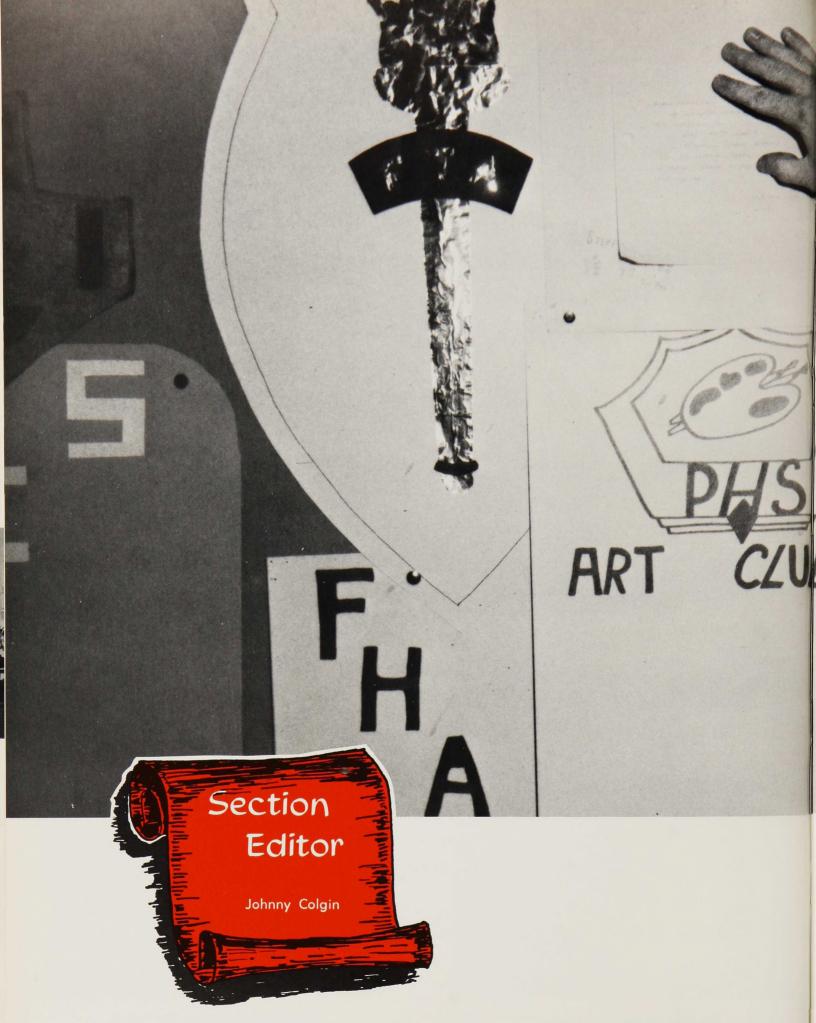

This couple has the **bright** future ahead of them.

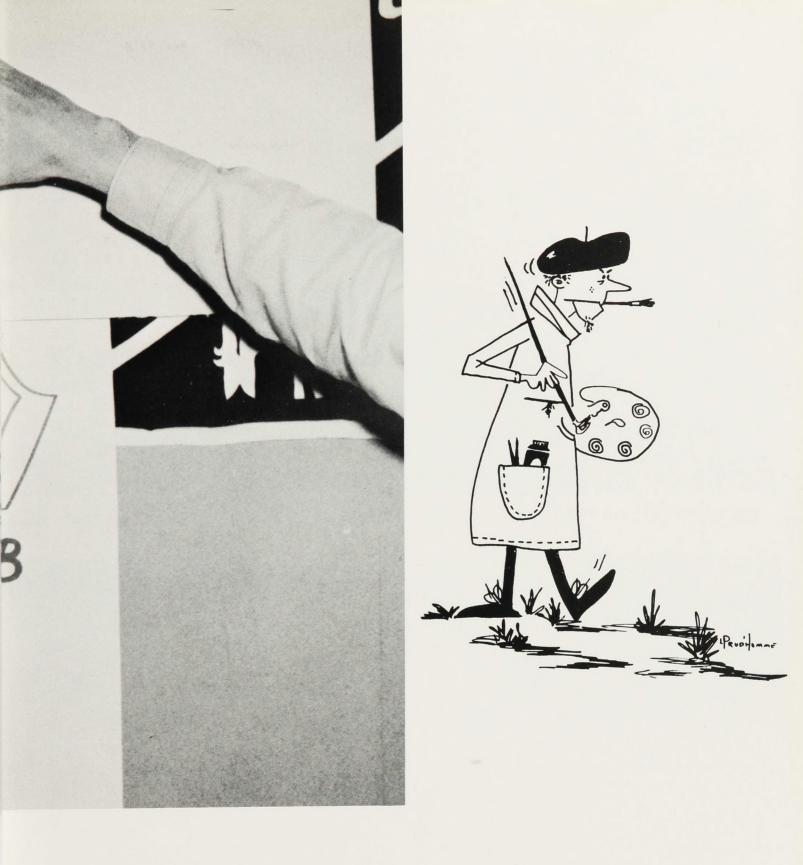

Chuck and Tim are really learning about shooting from these girls.

This is one shot that will never make it.

## Salute to Chechi!

One last salute to our Foreign Exchange student, Esther Crespo, more fondly known as Chechi.

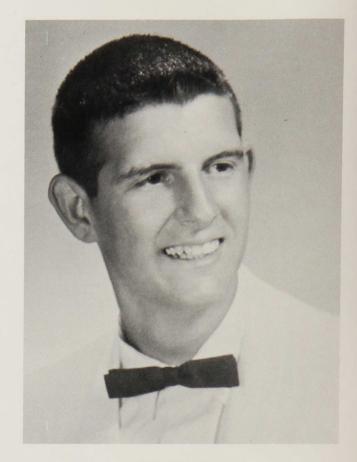

She has become a part of our lives in Permian, and has indeed found a niche in our hearts as well. Since the night when David Walker, band drum major, presented her to Odessa at a football game, Chechi has been a loyal Panther in fact as well as name.

Come June 1, we will miss you, South American friend!

Mr. Smith seems to be asking Mr. Brewer how many D-Hall candidates he has collected lately.

Miss Jane Griffing reminds some sophomores that assignments just do come due eventually.

In the midst of other Panther partisans, Miss White proves the most enthusiastic of all.

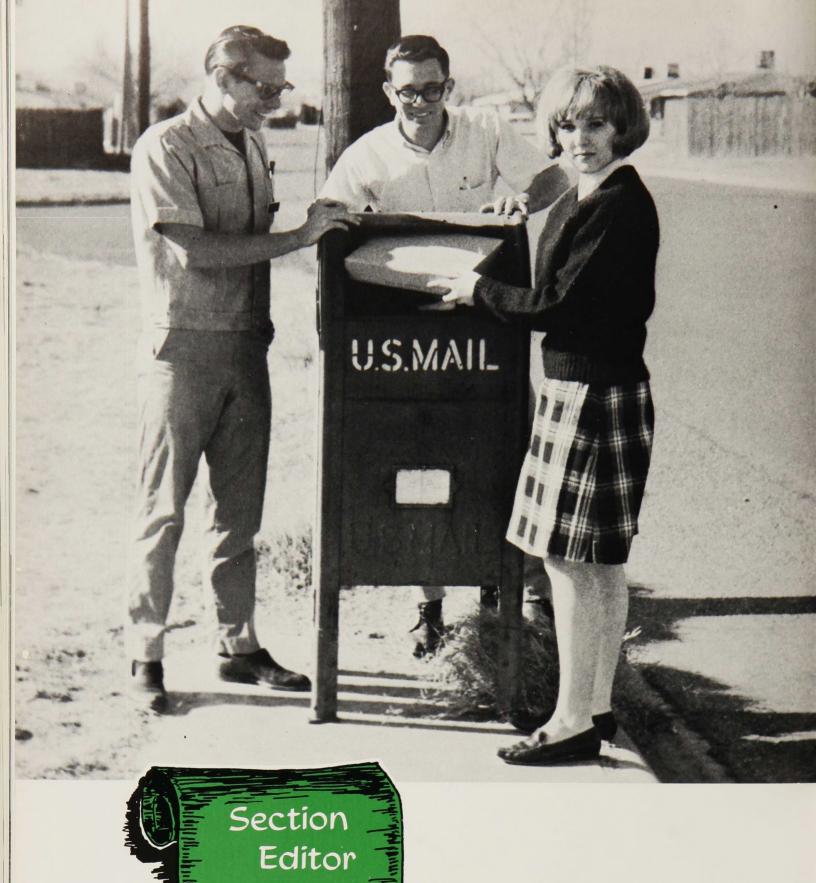

So this is what the coaches do in that office! Left to right: Jim Eddy, Jerry Behrens, and Harold Mobley.

## Teacher of the Year . . . Mrs. Carol Dial

By a wide margin this versatile and dedicated junior English teacher was chosen as outstanding among Permian faculty members. She loves her "job"; she loves most of her students; she is co-operative and helpful with her fellow teachers. To you, Mrs. Dial, the PANTHER staff offers congratulations!
