The Panther 1966 Permian High Odessa, Texas

Foreword

One step at a time

We build for a future that gives no hint of what is to come . . . perhaps the next step will take us to Vietnam or to Germany . . . perhaps to the exciting realm of advanced learning in college even to the challenge of a job in the business world.

The "ladder of success" is a time-worn phrase, but the fact remains that all students ARE going up a stairway from the moment they enter high school until they become established in a career or profession.

Progress is slow and painful with the never-ceasing trials of growing-up . . . and we may stumble now and then.

But we always manage, some way or another, to stumble FORWARD.

And as you turn the pages of this 1966 PANTHER, you will recognize our plan

· · · . A Stairway To The Future!

To Mrs. Florence Rowland....

Because you really care about the problems and troubles of students and try to help because you are always loyal to Permian High in all phases of high school life and because your sense of humor and fair play are ever-present among both students and teachers,

.... we dedicate this 1966 PANTHER!

will be a glorious victory for Permian High always!"

GO PERMIAN GO BEAT SAN ANGELS

The entire city was behind us in the moments of tension and ecstasy. They were all a part of the unity we'll never forget.

". . . Beat San Antonio Lee week!"

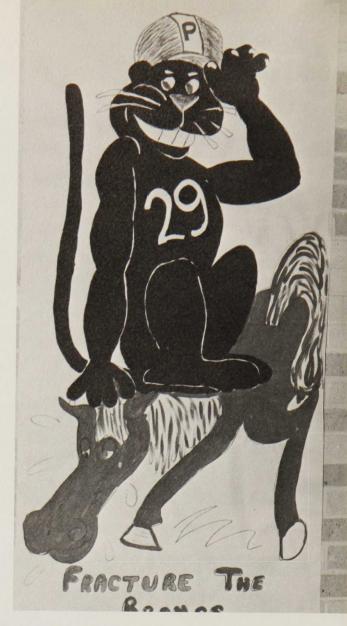

The team that went so far . . . and those behind them.

Carrying a Bobcat to his place in front of the Panthers. He looks already beaten!

Special art for a very special team.

Western Day

His roar had a Western drawl when he joined the trend and donned hat and serape. Still, he proves he's in the spirit of things at PHS.

My, padnah, what itchy fuzz you got . . . The better to torment Mr. Brewer with, son.

... Permian Style!

Some in the vivacious mood even took time out of class to do a Western swing around the Panther. It was a day typical of tumbleweeds and square dances . . . for all but the teachers.

Play-night hog-calling: Hey, you with the funny-looking tail!

Planning sessions like these determined the quality and variation of each issue of the PERMIAN PRESS. Checking back issues and the assignment board was only the beginning. Then came footwork and thought!

Columns editors Sherri Brack, Gail Johns, and Linda Coleman plan the layout for page two.

Keeping in pace with the sports action are Mike Sullivan, Gail Boatright, and John Bredimus.

Deborah DeWoody, Sherri Brack, Janice Davis, and John Bredimus add sparkle to each edition with their feature stories.

In charge of exchange columns and ex-student news is Senior Steve Miller.

Speech

Cynthia Curry, Greg Beard, Richard Whiddon, Jerry Goodson, and Jeanne Wood are contestants in the persuasive and extemporaneous speech divisions.

Charlie Swift, Pat Hickman, Donna Dye, and Seree Scott are prose readers.

Gloria Munos, Jerri Schneider, Mike Taylor, Kay Mabry, and Ellen Moore are the poetry reading entries.

The crew and cast gather around for a moment of relaxation before putting things away for another performance.

CSU offered a weekly meeting for singing, talking, and thinking, as well as planning projects.

Officers of the Christian Student Union are Tim Sledge, president; Charlotte Bunting; Sue Ann Qualls, song leader; and Marilyn Myers.

Christian Student Union

The first area Youth Rally, supported by the Christian Student Unions of the Odessa high schools, was an enthusiastic success as the Coliseum filled with youth and adults heard speakers on "In Times Like These."

The Spirit of Benevolence...

Also a part of life—even school life—is the spirit of giving. At Christmas, at Thanksgiving, through the March of Dimes campaign, and in

everyday contacts we gave smiles, wishes, hopes . . . a part of our life . . . Senior Jeanne Wood exhibits some of the material gifts . . .

In Honor of the State Champs!

Senior Glen Halsell was honored by the entire team as well as the Chamber of Commerce. Mr. Mayfield presented the plaques and trophies to Glen in recognition of his outstanding work.

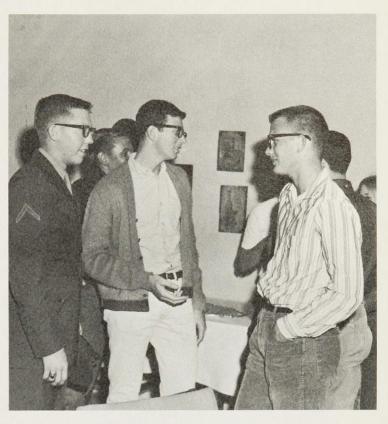

At Homecoming . . . the Exes

They all look happy—maybe because PHS is still winning!

Student Council members enjoyed the discussions. They'll be in their shoes some day.

and the Dance

Decorating for the dance . . . a real test of . . uh . . art?

The dance was an anticlimax after the noise and excitement of the game.

The 1965 Homecoming Queen . . . Miss Julie Murphy! The reactions!

A nervous moment before the ceremonies began: Martha Whiddon and Steve Gaskins, her escort; Kathy Oviatt and Charlie Cannon; Julie Murphy and Tim Morris; Linda Cox and

People..

The annual staff apparently had its wheels grinding. The deadline must have been close!

The weekly radio program spotlighted on the high schools of Odessa was called "Hi Jinx." Besides free PHS publicity, students got experience.

The new stenotyping classes became a rewarding challenge.

Coaching Staff

That was truly the season that was! Most of the coaches were new to Pantherland, but before many weeks had passed, it seemed as if they had always been a part of us.

A 14-game season is hard on team members, coaches, and fans. But all three categories finished the season still full of enthusiasm, and no small credit for this must go to a fine coaching staff.

A state championship the first year is a lot to live up to in the future. But somehow, watching these men work, it can be safely stated that the Panthers of Pantherland are in good hands in the seasons ahead!

Not much, when the situation works out in the manner pictured above! But that shy smile on the freshman's face says it all: "I'll be glad to pick 'em up, sir!"

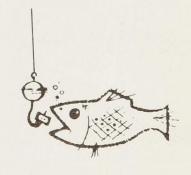

The years will slide by, though, and much too fast at that. Soon it will be 1969, and these bashful baby Panthers will be the leaders on the campus, ready to tuck a diploma under a confident wing and go out to face whatever life might hold for them. Perhaps one of the Class of '69 will be the first to step out of a rocket onto the moon; perhaps another will find the magic formula that conquers the last threat of a crippling disease.

Have fun, freshmen, these next three years. Your place in the sun comes soon!

"Success begins with a fellow's will It's all in the state of mind."

These words might well characterize Mr. Smith as he inspires both students and teachers to do their best. What is good for Permian is the foremost question in his mind, always. And when problems arise . . . as they are sure to do . . . Mr. Smith uses that fair standard to seek a solution.
